NOTICE IS HEREBY GIVEN that staff of the Nevada Division of Water Resources (NDWR) will host three informal public workshops to discuss proposed concepts for revisions to Nevada Administrative Code (NAC) Chapter 533. No action or decision will be taken by NDWR or the Nevada State Engineer at the workshops.

The documents listed below will be available prior to November 8, 2019, on the NDWR's website <http://water.nv.gov>:

- Notice of Informal Public Workshops

- Draft concepts for revisions to NAC Chapter 533

If you do not have internet access and would like a copy of the Notice of Informal Public Workshops, agenda, or draft concepts, please contact the NDWR at (775) 684-2800.

The workshops will begin with NDWR staff making a brief presentation summarizing the conceptualized revisions to NAC Chapter 533 and to receive feedback from stakeholders regarding the conceptualized revisions for the purpose of informing the NDWR's development of revised NAC Chapter 533 language in compliance with Assembly Bill 62 of the 2019 Legislative Session and other revisions determined to be appropriate by the State Engineer. Following these workshops, additional informal comments may be made in writing by letter or email no later than the close of business on November 27, 2019, for consideration by the State Engineer.

We are pleased to make reasonable accommodations for members of the public who are disabled and wish to attend the Informal Public Workshops. If special arrangements are required, please notify NDWR at the above address or phone number at least five working days before the Informal Public Workshop.
